

Meet our Members!

Wendy Bossier

I am Crystal Springs very first Treasurer and so very proud of our chapter and the best members (friends) in the world.

I was born in San Francisco a few years ago, too many to mention.... I have been married for 30 years and have a 14 year old son and a 12 year old daughter.

I am working towards my Bachelor's degree and do not have a life until that is complete.

My occupation is a Safety Coordinator with PG&E and I focus primarily on employee safety and injury/incident management.
